Georgia Legislators & Aerospace Industry Leaders Connect at 4th Annual Breakfast

On February 4th over 100 State Legislators, legislative staff, and aerospace industry representatives attended the 4th Annual Georgia Aerospace Legislative Breakfast at the Georgia Capitol. The event, organized by the Center of Innovation for Aerospace and the Aerospace Policy Working Group, provided Legislators a chance to talk with industry leaders about the current state of the industry, new opportunities for growth in Georgia, and how the State can continue to foster that growth.

Gulfstream Aerospace is Expanding in Two Georgia Locations

Gulfstream recently announced a new 400,000 square-foot product support distribution center in Savannah. Two weeks later, the company announced plans to add a 110,000 square-foot maintenance, repair and overhaul (MRO) facility to its Brunswick, Georgia location. [Read more](#)

Georgia STEM Summit Held at Robins AFB

The Center of Innovation for Aerospace participated in the Georgia STEM (Science, Technology, Engineering, and Mathematics) Summit held at Robins Air Force Base on January 9, 2014.

More than 50 leaders from across the state and the Air Force gathered to discuss ways to enlarge the pool of Georgia's STEM talent.
